QH2O Agreement

This restaurant agrees to promote the QH2O campaign to its guests. It is understood that each guest is invited to participate in the QH2O campaign by donating one quarter. If a guest would like to donate more, they will be encouraged to visit the website where they can make additional donations. 100% of every quarter received from participating restaurants will go to funding a clean water project.

The restaurant agrees to keep accurate records of the number of quarters donated. These donations will be forwarded to QH2O by check or money order and will include the weekly date for that donation. We agree to send these funds weekly as per the arranged day. In the event of closure for a period of time we will notify QH2O of such event. This restaurant will be listed on the QH2O website as a partner.
